

A close-up, high-angle photograph of a dark grey or black speaker cabinet. The image shows three circular drivers arranged vertically. The top driver is a large woofer with a prominent black dome. The middle driver is a tweeter, covered by a silver-colored metal grille with a fine mesh pattern. The bottom driver is another large woofer, partially visible. The speaker is set against a white background. The Spendor logo is visible on the tweeter grille and in a white box at the bottom of the image.
